What a wonderful start to the year we have had at Marlwood! It is hard to believe that I am already entering my third year as Headteacher; in so many ways, Marlwood feels like home, and I continue to feel incredibly proud of our school and the community we are building together. Our students have returned with such positivity, enthusiasm and readiness to learn, setting the tone for a fantastic first term. This was showcased brilliantly at our Open Evening, where the warmth, ambition and spirit of Marlwood shone through, strengthening the relationships and community links that are so important to us.

From our inspiring STEM experience and fiercely competitive Traitors House competition to our year-group information evenings and the ever-popular Mojo Active team-building day for Year 7, Term 1 has been packed with opportunities to challenge ourselves, build connections and create memories. These experiences capture what Marlwood is all about: a community where we belong, where we grow, and where we thrive. I am excited to see what the rest of the year brings!

Marlwood School

Term 1

Phones Update

We have been really impressed with how the majority of our students have adapted to storing their phones and connected devices in Yondr pouches each day. Students are now quick to unlock their pouches, switch off their phones and seal them under supervision at the school gates, helping to ensure that their learning is not disrupted.

Many students have told us how helpful they have found the pouches in preventing distractions. Some have even shared that they are using their phones less at home and spending more time with their families, which is really positive to hear.

We have, however, become aware of a small number of students attempting to get around the morning checks by putting an old, still-working phone into their pouch and concealing their current device in their bag or clothing. From next term, we will therefore be increasing the number of spot checks carried out each day.

It is important that students understand that **schools are now legally required to be phone-free environments**. We have reinforced this message in school and would be very grateful if parents could support us by reiterating it at home. Bringing in a second device is treated as a deliberate attempt to bypass the procedures we have put in place. Where a second device is found, a fixed-term suspension will be issued.

We are very grateful for parents and carers' support in reinforcing the phone procedures, helping us to maintain a focused learning environment where students can make the most of their time in school.

Marlwood School

Term 1

Marlwood Remembers

As we approach Remembrance Day, our school community will come together at the front of our school to pause, reflect and remember all those who have fallen in service to our country.

We will gather around our specially created Remembrance flag as a symbol of our shared respect and gratitude. This will be a meaningful opportunity for our pupils, staff and wider school community to recognise the contributions made by those who served and the sacrifices they made to protect the freedoms we enjoy today.

As a school, we believe it is important that our children understand the significance of remembrance and the importance of showing respect and compassion. By coming together as one community, we can ensure that the courage, service and sacrifice of those who came before us are never forgotten.

We would warmly welcome any members of our wider school community who would like to join us for this special moment. It would be a privilege to stand together in remembrance and reflect on the lasting impact of those who gave so much for others.

Together, we will remember the fallen, honour their sacrifice and ensure that their legacy lives on through future generations.

We will remember them.

Marlwood School

Term 1

Marlwood's Year of Literacy

Literacy is essential to success at school and beyond. This year, Marlwood is placing a particular focus on helping students strengthen their reading, writing and speaking skills across the curriculum.

Why does literacy matter?

As students progress through secondary school, they encounter increasingly complex texts and more demanding writing tasks. Secure literacy skills help them access their learning and prepare for further education and employment.

Every subject has its own language and ways of communicating knowledge. Our approach, known as *disciplinary literacy*, recognises this by helping students develop the knowledge and skills specific to each subject, whether that means reading like a historian, writing like a geographer or speaking like an artist.

How can parents help?

Reading is a particular focus this year. We want students to read accurately and confidently, build their vocabulary and enjoy reading for pleasure.

Parents can support this by encouraging regular reading, whether that means a novel, a non-fiction book, a magazine or an article. If your child is in Key Stage 3, please ensure they complete their Sparx Reader activities each week. This app provides students with fiction pitched at the right level to make good progress, and supports development further with comprehension questions which check and correct understanding.

You can also encourage your child to take care with spelling in homework, and to identify and correct punctuation and grammar mistakes.

Parliament Visit

A group of our Year 10 students enjoyed an exciting and informative trip to the Houses of Parliament, where they had the opportunity to explore the heart of British democracy. During a guided tour, students visited both the House of Commons and the House of Lords, learning about their roles and how decisions are made that affect our everyday lives.

The students also had the opportunity to present their own opinions on important issues and engage with the political process by creating their own petitions. A highlight of the visit was meeting their local MP, Clare Young, giving students the chance to learn more about the role of an MP and how they represent their constituents. Students were also given the opportunity to ask their MP questions on matters important to them.

The trip was a valuable opportunity to bring their learning to life, deepen their understanding of Parliament and encourage them to think critically about the world around them.

Many thanks to Miss Wheeler, Mrs Doig, Miss Boucher and Miss Norman, who organised and ran the trip.

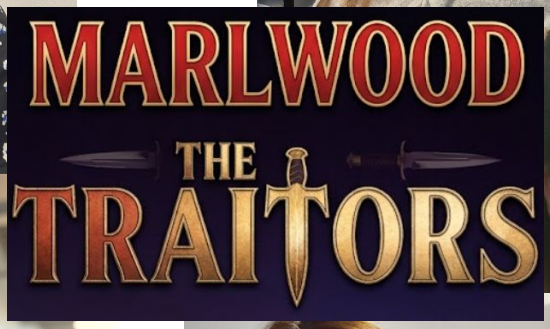

The Traitors

We are sure that you are aware that there was great excitement during this term's House competition: **The Traitors!**

At the start of the week three staff traitors were selected and had various daily challenges to complete – the hardest being to 'murder' in plain sight by delivering a letter to a 'faithful.' On Thursday, the faithfuls finally caught their first traitor: the very devious Mrs Everett! However, even with a double nomination on Friday two traitors managed to evade capture. Congratulations to Mrs Spring and Mrs Simmons. We hope that next term's event will be as thrilling!

Marlwood School

Term 1

New Art Display

The Starry Night — Created Together

Inspired by Vincent van Gogh's The Starry Night (1889)

This collaborative artwork was created during an Activities Week workshop in the summer term by 60 Year 9 students, working closely with Mrs Jenkins-Pick and Mrs Freeman. Each student painted an individual section, combining their own interpretation of Van Gogh's expressive marks and vibrant colours to create one striking artwork.

This display, which can be viewed in the DART area, celebrates their creativity, teamwork and perseverance – a lasting reminder of what our students can achieve together.

Marlwood School

Term 1

Hospitality & Catering

Our Hospitality and Catering students have made a fantastic start to the academic year, demonstrating enthusiasm, creativity and a growing confidence in the kitchen.

This term, students have been working hard to develop their practical cooking skills, with a particular focus on food presentation and professional plating techniques. They are learning that presentation is just as important as flavour, taking pride in the appearance and quality of their finished dishes.

We have already seen some excellent examples of their hard work, attention to detail and creativity. Well done to all our budding chefs – keep up the fantastic work!

Marlwood School

Term 1

Design & Technology

Every great product begins with an idea! Our Year 10 GCSE Design & Technology students have been putting their creativity and problem-solving skills to the test through an exciting bottle opener design project.

Students have been exploring the design process, developing their initial ideas and using modelling techniques to bring their concepts to life. Throughout the project, they have been considering functionality, ergonomics and aesthetics, learning how successful products combine practical purpose with thoughtful design.

The project is providing a fantastic opportunity for students to experiment, refine their ideas and develop their confidence as young designers.

Well done to our Year 10 designers. We look forward to seeing their ideas develop into finished products.

Cross Country Success

A huge well done to all of the Marlwood students who represented the school at the Cross Country event held at Downend School on Thursday 15th October. It was fantastic to see so many students willing to challenge themselves and represent the school with pride.

The event featured races across all age groups, with distances ranging from 1.8km for the Year 7 girls through to 4km for the Year 10/11 boys. Cross country is a demanding sport requiring physical endurance and mental toughness, and our students demonstrated these qualities throughout the afternoon.

While there were some excellent individual performances, what also stood out was the support students showed for one another, whether competing, cheering from the sidelines or encouraging teammates at the finish line.

The event provided valuable preparation ahead of the South Gloucestershire Cross Country Finals, which will take place at Pomphrey Hill Pavilion, hosted by Mangotsfield School, on Wednesday 11th November. The experience gained at Downend will help our runners continue to develop as they prepare for the next stage of competition.

Thank you to all staff, parents and carers who helped make the event possible. We look forward to seeing them compete at the South Gloucestershire Finals.

Mr Richards
Teacher of PE

Netball

It has been a brilliant start to the netball season and we couldn't be prouder of the effort and team spirit shown by our players so far!

This term, our teams have taken to the court against Patchway, Yate Academy and Winterbourne, representing the school with enthusiasm and a fantastic attitude. It has been wonderful to see the players developing their skills, growing in confidence and working together as a team.

A special mention must go to our **Year 8 and Year 9 teams, who remain unbeaten so far this season!** This is a fantastic achievement and a real reflection of their teamwork, resilience and dedication. Year 9, in particular, have an exciting challenge ahead as they look to defend the league title they proudly won last year. We can't wait to see how they rise to the challenge!

With four matches still to play after half term, there is plenty more netball to look forward to. We are excited to see what the rest of the season brings and hope our teams can continue their fantastic form.

Well done to all our netball players for their hard work, sportsmanship and commitment. You have made us incredibly proud, and we look forward to cheering you on for the rest of the season!

Mrs Morris
Teacher of PE

Key Stage 3 Rugby

It has been a fantastic start to the rugby season for our Key Stage 3 students. Over the course of the term, we have held three training sessions focusing on organisation, teamwork and developing the core skills needed to be successful on the rugby field.

The team performed superbly in a recent 7s tournament, showing great determination, resilience and sportsmanship throughout. This was followed by a very closely contested match against Winterbourne, where the students represented the school exceptionally well and demonstrated how much progress they have made. We now look forward to our final fixture of the term next week against our local rivals, Castle.

A huge thank you must go to everyone who has helped make rugby such a success this term. We are incredibly grateful to Mr Johnson (KS4 Rugby Lead), Mr Pepper and Mr Simpson for their commitment to developing the Year 7 players and supporting training sessions and fixtures. Special recognition should also go to Mawgan, our Year 11 student coach, who has been a fantastic role model for our Year 8 players and has provided invaluable support throughout the season.

Finally, thank you to all of our parents and carers. Your support, particularly in collecting students from training sessions and fixtures, helps make these opportunities possible.

Mr Richards
Teacher of PE

Marlwood School

Term 1

Key Stage 4 Rugby

The year 10 team was entered into the Bristol and Area State Schools competition. We were drawn against four other schools across Bristol.

It was great to see boys who don't normally play rugby supporting the few that do. The team was also bolstered by three year 9 boys who performed to a high standard.

The boys showed great composure and resilience in all of their games, and it was great to see them develop as a team.

We will wait to see results from the other pools, which will determine who we will play after the October holiday.

Mr Johnson
Assistant Headteacher & Teacher of PE

A Plea to the Community

Golf Equipment Donations Needed

The Marlwood PE Department is always looking for donations of any second-hand golf equipment that may be sitting unused in sheds or garages. We are particularly interested in clubs such as drivers, woods, irons, wedges and putters, with a special need for **left-handed clubs**, as well as golf bags and trolleys.

These donations help us provide more opportunities for students to experience and enjoy golf, regardless of their background or access to equipment.

If you have any items you would be willing to donate, please contact **matthew.richards@cset.co.uk**. Thank you for your support.

Mr Richards
Teacher of PE

Tutor Awards

7B	Elizabeth Smith	For a superb start to Marlwood! Going above and beyond in all you do.
7H	Elsie Atkinson	Always coming tutor with a smile and being one of the first at Marlwood Mornings
7K	Bea King	For absolutely smashing the start of year 7 and for being the first student in our tutor group to achieve their gold award!
7W	Huddy Norris	Always coming into tutor with a smile, is always kind and makes others in the tutor laugh. Great start to Marlwood so far, keep it up!
8B	Stanley Thompson	For always being so positive, kind and helpful.
8H	George Brice	For using your leadership to good effect, demonstrating our school values
8K	Layla Padbury	Always polite and respectful, volunteers to read aloud and consistently demonstrates the Marlwood values.
8W	Lacey-Lou Reed	For being so helpful in tutor
9B	Leo Tanner	Always polite and I enjoy our little chats during line-ups. You've made a great start to the new year, keep it up.
9H	Kye Jopling	For his resilience and positive attitude
9K	Dre Romeu-Francis	For showing huge improvements in resilience, respect and responsibility over the last few months. Well done, Dre.
9W	Jack Harries	100% attendance and no negatives - amazing!
10B	Katlyn Moore	For making a great start to Year 10, for having great attendance and no negative points.
10H	Bella Brice	For making an excellent start to year 10 and for always being so polite and cheerful.
10K	Charlie Edwards	100% attendance and no negatives - amazing!
10W	Jacob Wiltshire	For trying new things, being so kind to everyone and for making so much effort.
11B	Fin Hunt	All the Marlwood values every day. Brilliant attitude
11H	Ezra Suthakaran	Great start to the year - always displaying all Marlwood values.
11K	Madison Estcourt	Consistently showing the Marlwood values. We are so lucky to have you in tutor.
11W	Tilly Biggs	100% attendance and no negatives - amazing!

Friends of Marlwood

It has been a busy and rewarding start to the school year for Friends of Marlwood School (FOMS), and we'd like to say a huge thank you to everyone who has supported us, volunteered their time or simply stopped by to say hello.

One of the highlights has been supporting Marlwood's fantastic production of *Frozen*. Friends of Marlwood volunteers provided and sold refreshments throughout the performances, helping audiences enjoy the show while raising over £500 for the school. It was brilliant to see the school community come together and a real privilege for us to support the students and staff who worked so hard to put on the production.

We were also delighted to support the school's Open Evening, providing free teas, coffees and biscuits to prospective parents and families visiting Marlwood. It gave us a great opportunity to welcome people to the school and demonstrate some of the community spirit that exists around Marlwood.

Could You Join Friends of Marlwood?

We are always looking for new people to get involved, and everyone is welcome.

Joining Friends of Marlwood doesn't mean making a huge commitment. Whether you can help at an event, contribute an idea, contact a potential sponsor, help with fundraising or simply lend a hand occasionally, it all makes a difference. The more parents, carers, staff and members of our wider community who get involved, the more we can do to support Marlwood School and create additional opportunities for its students.

If you'd like to find out more, please get in touch with Friends of Marlwood. We'd love to hear from you and welcome you to the team.

Thank you for your continued support.

Friends of Marlwood School (FOMS)
Supporting our school, our students and our community.

Events @ Marlwood

Friends of Marlwood Race Night – 20th November

Next up is our Friends of Marlwood Race Night on Friday 20th November.

We're looking forward to a fun evening bringing parents, staff, friends and supporters of the school together while raising valuable funds for Marlwood. Events like Race Night are not only about fundraising, they are also a great opportunity to build connections across the school community and have some fun along the way.

Please keep an eye out for further Race Night information and ways you can get involved and support the event.

Attendance: Every Day Counts

EVERY DAY COUNTS: SUPPORTING YOUR CHILD'S ATTENDANCE

BUILD POSITIVE HABITS

Establish a consistent bedtime routine. A good night's sleep makes waking up easier and supports physical and mental health.

Prepare uniforms and bags the night before. A calm, predictable morning sets a positive tone for the day.

Create a positive "getting ready" culture. Talk enthusiastically about the day ahead – what they might learn, friends they'll see, or a favourite lesson.

Avoid using "skipping school" as a reward. Attendance should be seen as a necessary part of the week, not something that can be negotiated.

Model a positive attitude towards education. Your perception of school and learning directly influences your child's.

NAVIGATE CHALLENGES AND ILLNESS

Be realistic about symptoms. While contagious illnesses mean staying home, encourage resilience for minor ailments. Could they come in for part of the day? Or manage with a painkiller?

Contact the school early. Call Call the attendance officer promptly on each day of absence and explain the specific nature of the illness.

Encourage a sense of belonging. Talk positively about your child's teachers and friends. Ensure they feel connected to the school community.

Address concerns directly with the school. If your child seems anxious or reluctant, please don't let it fester. Contact us early so we can put support plans in place.

NEED HELP?

We understand that every family faces unique challenges. **Please don't hesitate to reach out to us.** We can explore strategies and support systems to help your child thrive at Marlwood.

There are several organisations offering further support for our young people over the next few months:.

OTR (Of The Record) Nature Walks

OTR will be bringing their Nature Works project to Kingswood Park again this Autumn to support young people to engage in Nature connection and creative practice to support their wellbeing. Please see this link for more information: Nature Works in Kingswood Park - OTR

For more information and projects they offer please also see this link: Home - OTR

King's Trust upcoming programmes

Get Started in Beauty (16 – 30 years old, not in education, training or employment)
This free week-long programme for 16–30-year-old NEET young people is perfect for those who are looking to take their first steps into the Beauty industry. They will learn to do eyelash extensions, lash lifts and eyebrow shaping as well as gain valuable skills in customer service and health & safety within the beauty industry. Young people will have up to six 1-1s to help them achieve their next steps.
Taster day: 28th October
Course dates: 2nd November - 6th November

Get Started in Nail Art (16 – 30 years old, not in education, training or employment)
This free week-long programme for 16–30-year-old NEET young people is perfect for those who are looking to take their first steps into the nail industry. They will learn to do gel manicure, cuticle care, nail art and develop skills in customer service. Young people will have up to six 1-1s to help them achieve their next steps.
Taster day: 4th November
Course dates: 9th - 13th November

Please note young people can only attend one of the above sessions, as schedules overlap
You can refer via our referral form: King's Trust Referral Partner Enquiry Form 26-27 – Fill out form or email: outreach.bristol@kingstrust.org.uk

Safeguarding

Parents and carers can help by talking to children and young people about making safe and responsible choices and the dangers and consequences around fire and fireworks.

Please encourage children and young people to stay away from fires, fireworks and discarded fireworks, and where possible enjoy fireworks at an organised display.

These events are designed to be safe, enjoyable, and managed by experienced professionals.

Fireworks, loud noises and anti-social behaviour can be particularly frightening and can also cause distress to pets, livestock, older people and vulnerable members of our communities, so please encourage children and young people to be considerate of others.

Deliberate fires can quickly become dangerous and place additional demand on the fire and rescue service, potentially taking firefighters away from other emergencies.

By working together, we can help everyone enjoy Halloween and Bonfire Night safely while protecting our communities.
