Yondr Pouches

Marlwood is a phone-free school. This helps to create a calm, focused learning environment by reducing distractions, encouraging positive social interaction and supporting students' wellbeing throughout the school day.

Every student is issued with a Yondr pouch, which must be used to store their mobile phone and any connected devices while they are on the school site.

If you need to contact your child during the school day, or if they need to contact you, this should be done through the school Reception.

If your child does not bring a phone to school, please contact marlwoodschool@cset.co.uk so that a pass can be created explaining this should they be selected for a spot check.

If your child has a medical condition that requires access to a mobile phone during the school day, such as managing diabetes, please let the school know so that appropriate arrangements can be put in place.

If your child loses their pouch, a new one must be purchased.

Uniform

Where Can I Buy Uniform?

Our bespoke items of uniform are available from Monkhouse.

Further details of prices, ordering and opening hours can be found on their website: Monkhouse.com .

If purchasing some items from other suppliers/retailers (e.g. trousers, skirts, shirts, etc.), please follow the guidance contained within this booklet.

Please ensure that all items of uniform are clearly marked with your child's name and House.

High Expectations

Our uniform is a symbol of our community and the pride we take in belonging to it. It is therefore important that all students wear the uniform as intended.

If a student arrives at school in incorrect uniform, a member of the Behaviour Team, Senior Leadership Team or the Headteacher may: (a) send the student home to change, having first contacted parents, (b) provide a change of uniform, or (c) send the student to the Refocus room to work for the day.

The Headteacher's decision on acceptable uniform is final.
