

Starting at **Marlwood School**

At the end of the year I will be leaving my primary school to go to Marlwood School. I have been at my primary school for a long time. I have friends at school and I know lots of teachers. I might not see them once I am at my new school.

◀ This is a photo of Marlwood School.

I will be in Year 7 at my new school. I will be able to make new friends at this school and I will be able to try some new activities.

Starting at Marlwood School means that some things will be different, such as the teachers, students and also the routines, classes, uniform and the school grounds.

My uniform includes a blazer and tie which look like this. The colour of my tie depends on which House I am in.

There are four Houses: Berkeley (blue), Holt (red), Kingsley (yellow) and Witton (purple).

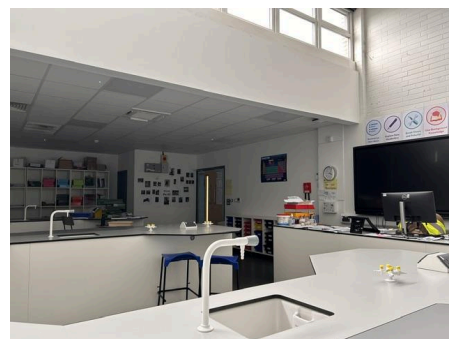

School starts at 8.35am. I will line up with my tutor group at the start of the day. School finishes at 3.05pm.

◀ There are lots of classrooms.

This is a Science lab. I will have Science lessons in a lab. ▶

There will be five lessons each day. I will have a timetable and I will move to a different classroom for each lesson.

There is a one-way system to help everyone move around quickly and safely.

◀ My daily timetable will look like this.

I will be able to ask someone for help if I get lost. I will soon find my way around the school.

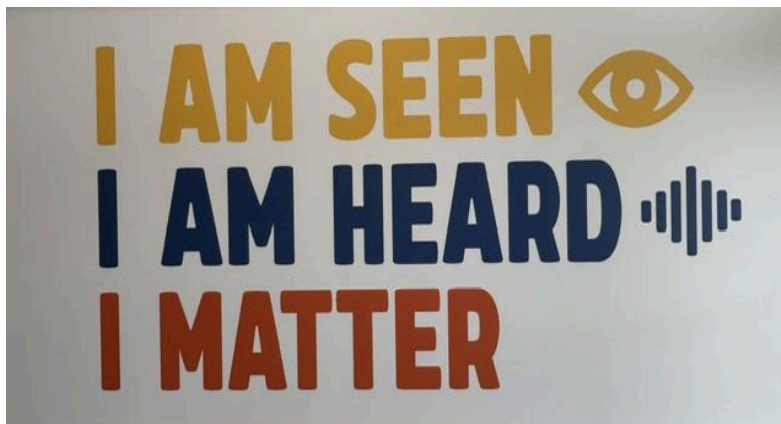

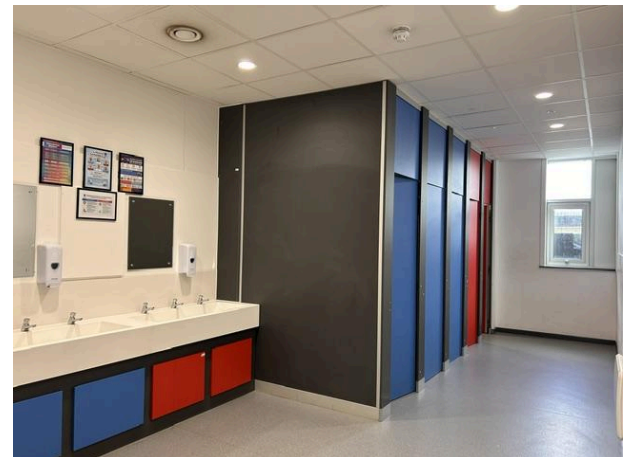

There will be two breaks: the first break is at 10.45am and lasts 25 minutes; the second break is at 1.10pm and lasts for 35 minutes. During breaktime, I will be able to eat a snack, go to the toilet and spend time with my friends.

◀ This is the canteen where I can get a snack and lunch.

◀ I can eat food and meet my friends here, in the Quad, or on the KS3 Courts.

There are Key Stage 3 toilets, only for students in Years 7, 8 and 9. ▶▶

If I feel worried, I will be able to talk to someone about it. I will have a tutor, a Head of Key Stage and there are people in the Student Centre to help me if I get lost or have a problem.

Going to Marlwood School is going to be a big change. I will be doing different things during the day and I will see different people. I might be nervous for a while and this is OK. I might miss my primary school friends and teachers, and this is OK too.

Starting at Marlwood School will be exciting. It might be a good idea to think about the fun, new things I will be able to do next year when I start at Marlwood School.
